

## **FAA Users - Logging into Flydrive.faa.gov**

**Flydrive.faa.gov** is a file-sharing resource available to both FAA and External Users supporting the FAA.

User accounts that can access the above site consist of 2 types: **External** user accounts, and **FAA.GOV** user accounts.

### **FAA Users**

Users that have a FAA.GOV email address will use their FAA Network Logon Username and Password.  
For Example:

**John Doe** or **ZQS204ZZ**

If you are having logon issues, you can contact the MyIT Service Center for assistance.
